Rheumatism, Gout and Neuralgia, AND A SURE CURE FOR All Mercurial Diseases.

It is a conveniently arranged Band, containing a medicated compound, to be worn a round the Waist, withou injury to the most delicate persons; no change in habits of living is required, and it entirely removes the disease from the system, without producing the injurious effects arising from the use of powerful internal medicates, which weaker and destruct the constitution, and effects arising from the use of powerful internal medi-cines, which weaken and deatroy the constitution, and give temporary relief only. By his treatment, the med-ternal properties contained in the Band come in contact with the blood and reach the disease, through the porce of the skin, effecting in every instance a perfect cure, and restering the parts afflicted to a healthy condition. This Band is also a mostpowerful ANTI-MERCURIAL agent, and will entirely relieve the system from the peracelous effects of Mercury. Moderate cases are cured in a few days, and we are constantly receiving testimonials of its efficacy in aggravated cases of long standing. Pauce \$2,00, to be had of Drugiets generally, or can be sent by mail or express, with full directions for use, to any part of the country direct from the Principal Office,
